

Funny Stories for RAG Testing

The Smart Chicken

A chicken walked into a library and said, 'Book! Book!'. The librarian handed over two books. The chicken returned asking for three more. Curious, the librarian followed it to a pond where a frog kept saying, 'Read it! Read it!'

Programmer's Coffee

A programmer ordered coffee. The waiter asked, 'Sugar?' The programmer replied, 'No thanks. I already have enough bugs.'

AI Exam

Teacher: Why did the AI pass the exam? Student: Because it had excellent training data!

Lost Wi-Fi

A person shouted, 'Is anyone else's Wi-Fi down?' The neighbors replied, 'We can't check because our Wi-Fi is down too!'

Robot Doctor

Robot: Your health is fine. Human: Then why am I tired? Robot: You have 237 browser tabs open.
